## College Book Art Association Scholarship 2021

Hello and thank you for your interest in applying for the full scholarship from College Book Art Association in partnership with In Cahoots Residency! We look forward to reviewing your application. You must be a member of CBAA to apply for this scholarship. Both regular and student members of CBAA are welcome to apply.

You can become a CBAA member or check your membership status on the CBAA website <https://www.collegebookart.org/>

This residency scholarship includes the full residency fee of 1150 for a two-week session. Residents are provided 24-hour access to the shared studios, and private housing in an individual guest house (with a kitchen). Food and travel expenses are not covered by this scholarship. The studio includes basic supplies such as newsprint, rags, and non-toxic solvents. Artists should bring their own plates, paper and supplies for specific projects.

To apply and select your session dates (between July and December 2021) please fill out the grant application form at <http://incahootsresidency.com/grant-application-form/>

Both regular and student members of CBAA are welcome to apply. Open to: Writers and scholars, artists working in the medium of book art, letterpress printing, and/or printmaking, solo artists or collaborative teams of 2. You must have demonstrated financial need to be awarded this scholarship. In Cahoots Residency is designed for people who have prior experience in art and/or writing. A portfolio of 8-10 images of artwork, or 2-3 writing samples are required for the application. You must be 18 years or older to apply. With a focus on community and inclusion, we welcome adult artists of all ethnicities, religions, ages, physical abilities, gender, financial status and educational backgrounds. For artists who choose to apply as a collaborative team, each artist should complete a separate entry form with all required information, and make a clear note on the application that you are applying as a team. For this scholarship, collaborative teams will be provided shared housing (which is small so the artists should know each other well.)

There is a \$25 application fee, payable upon completion of the form.

The jurors for this scholarship will be announced shortly.

Notification of acceptance/denial will be sent out 4-6 weeks after the deadline.

Notes on deposit: If accepted, a 200 dollar holding deposit is due at the time of confirmation to hold your dates. If you choose to cancel your residency session, this deposit will be forfeited. Upon arrival, this deposit will act as your security deposit and will be returned to you at the end of your residency stay, minus any damages.
